

## **2009 Teaching and Learning Conditions Survey Clark County, NEVADA**

### ***QUOTES FROM INTEREST-BASED PROBLEM SOLVING TRAINING TEAMS***

"The TLC team helped build bridges of trust between the administration and staff at our school."

"Through TLC training, we have found new ways to solve old problems."

"When the administration and staff share in the decision making, everyone wins. How can you fight against a decision we've made together?"

"Many minds, working together, can find the best possible solutions to our educational problems."

"TLC opens a two-way dialog between leadership and staff where we share concerns and solutions."
